

Job Description – WELDER/FITTER

AMI Attachments Inc is a rapidly growing heavy equipment attachment manufacturer located just outside of Kitchener/Waterloo. As an industry leader in design and manufacturing, AMI works to create quality, innovative heavy equipment attachment solutions that are used in construction, mining, demolition, and the oil and gas industries throughout North America. AMI is looking to add to their team and currently has positions open for experienced welder/fitters.

Qualifications:

- Minimum two (2) years welding experience
- Ability to work in a fast-paced shop environment

Assets (good to have, but not required):

- CWB certification
- Blueprint reading
- Experience working with forklifts and overhead cranes

This position offers:

- Competitive wages
- Company uniforms
- Benefits plan
- Pension plan

Please send your cover letter and resume to: careers@amiattachments.com
