FAST TRACK

FAST TRACK

AMI's Fast Track Program features a wide selection of high-volume products that can be manufactured and shipped in a shorter time period with no compromise in quality and at no extra charge. Backed by our 2-year warranty, every Fast Track product is customized to fit the model and class of your machine, ensuring your new attachment meets your exact specifications.

It's what we're made of that counts

Nerves of steel is what it takes to supply AMI Attachments with raw materials that stand up to the harsh conditions our customers face every day. That's why inside most of our products is Hardox wear plate and Strenx performance steel, recognized names in steel that are synonymous with strength, durability and trust.

AMI Attachments is a certified member of the Hardox in my Body program. This strict accreditation means that we provide our customers with buckets manufactured from genuine wear-resistant steel that sets the standard worldwide for being harder, tougher and lighter.

As a certified member of the My Inner Strenx program, AMI Attachments provides customers with a trademark sign that identifies the superior steel and quality-controlled production techniques used during the manufacturing process.

2
YEAR
WARRANTY

All AMI products come with a 2 Year Limited Warranty
